VHCF PARTICIPATING IN CHARITABLE CAMPAIGNS ACROSS VIRGINIA

Thanks to the support of federal and state employees throughout Virginia, the Virginia Health Care Foundation is making primary health care more available to uninsured and medically underserved Virginians. Donating to the Virginia Health Care Foundation through payroll deduction through the Commonwealth of Virginia Campaign, the Combined Federal Campaign, or the United Way Campaign is easy, efficient, and affordable.

Over the past 11 years, VHCF has generated an average of \$11 in cash, health services, and other in-kind contributions for every dollar it has expended, putting your money to work harder. Why wait? Designate your contribution to VHCF. Let your family and friends know that they can also support VHCF through payroll deduction at their workplace.
