Additional person add	\$439	\$5,267	\$660	\$7,920	\$660	\$7,920
	Income Guidelines				Income Limit	

* Deductions for certain expenses (child care expenses, work deduction, etc.) are taken prior to comparing a family/pregnant woman's gross income to these charts so they may make a little more than the income listed and still qualify.

Note: A pregnant woman counts as 2 people, more if twins/triplets/etc. are expected, when applying for Medicaid for Pregnant Women and FAMIS MOMS.
