

Training on Virginia's Health Insurance Programs for Children and Pregnant Women

This workshop will provide detailed information on Virginia's Health Insurance Programs for Children and Pregnant Women- FAMIS, FAMIS Plus, FAMIS MOMS, and Medicaid for Pregnant Women. It will also provide information on LIFC and Plan First.

It is designed to give community workers a working knowledge of the programs, including: eligibility requirements, application procedures, and post-enrollment information. For those already familiar with the programs, the workshop will provide information on important recent program changes.

Each participant will receive the *SignUpNow Tool Kit*, a comprehensive manual with program information, forms, and resources to use in working with families.
